School and Community

In 1980, a group of families in St. Charles County saw a need for a Christian school that would serve the educational and spiritual needs of their children. They committed themselves to starting Living Word Christian School (now Christian School District). In 1998, Christian High School graduated its first senior class. Christian School District now serves over 600 students, PreK –12, from 4 counties, and over 100 churches. The current senior class has 71 students, including 1 National Merit Commended Scholar.
